

WL-B13 Shelf Linear Light

25 / 26 mm V-profile for wardrobe and minibar shelves · three-side emission · SMD or COB

PRODUCT FEATURES

- V-shaped aluminium profile, three-side emission — shelf above and surface below from one fitting
- Recessed into a 25 × 12 mm rebate, fixed with countersunk M3 × 10 screws
- SMD 2835 (120 LED/m · 650 lm/m) or COB (480 LED/m · 500 lm/m), dot-free behind the frosted diffuser
- DC 12 / 24 V, dimmable, CRI > 90, LM80 > 50,000 h
- Made to the shelf programme up to 3,000 mm — cut, wired and connectorised at the factory

The light that sits inside the shelf. A slim V-profile recesses into a 25 × 12 mm rebate in the wardrobe or minibar shelf and emits on three sides, so one fitting lights the shelf above and the surface below without a visible housing. Supplied cut to the shelf programme, wired and ready to drop in.

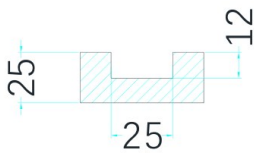

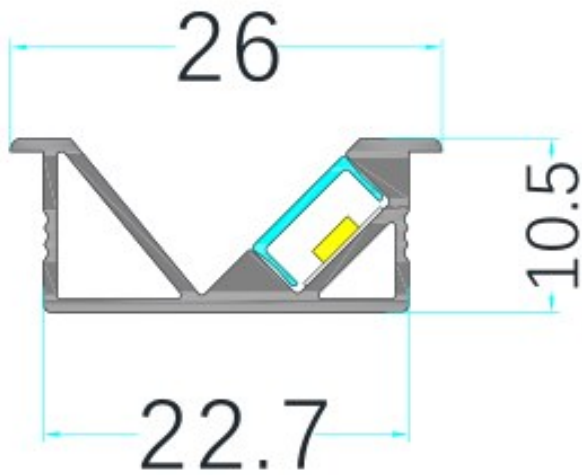

SPECIFICATION

Model	WL-B13
Housing	Aluminium V-profile, silver finish
Diffuser	PC, frosted (clear on request)
Size (W × H)	26 × 10.5 mm (SMD) · 25 × 10.5 mm (COB)
Cut-out	25 × 12 mm rebate, countersunk M3 × 10
Light source	SMD 2835, 120 LED/m · 9.8 W/m · 650 lm/m — or COB, 480 LED/m · 9.8 W/m · 500 lm/m
CRI	> 90
Colour temperature	2400–6500 K (SMD) · 2700–6500 K (COB), fixed at order
Voltage	DC 12 V / 24 V
Control	Dimmable — on/off, PWM or 0/1-10 V per project
Rated life	50,000 h (LM80)
Certification	CE · UL · SAA (whole luminaire)
Declarations	RoHS · REACH, per model
