

WL-B14 Slim Surface Linear Light

17 × 8 mm surface-mount profile · SMD or COB · surface-fixed or recessed to a 21 × 9 mm rebate

PRODUCT FEATURES

- 17 × 8 mm aluminium profile — the slimmest surface-mount line in the range
- Mounts two ways: surface-fixed on the clip, or recessed into a 21 × 9 mm rebate
- SMD 2835 (120 LED/m · 12 W/m · 800 lm/m) or COB (338 LED/m · 9.8 W/m · 600 lm/m)
- Frosted PC diffuser for a continuous line · clear on request
- DC 12 / 24 V, dimmable, CRI > 90, LM80 > 50,000 h

The highest-volume profile in the range. At 17 × 8 mm it is slim enough to read as a shadow gap, yet it mounts two ways — surface-fixed on its clip, or recessed into a 21 × 9 mm rebate — so the same fitting serves wardrobe tops, display backs and joinery reveals. Stocked in silver, cut to the furniture programme.

SPECIFICATION

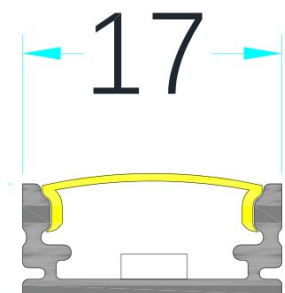

Model	WL-B14
Housing	Aluminium, silver finish
Diffuser	PC, frosted (clear on request)
Size (W × H)	17 × 8 mm
Cut-out (recessed)	21 × 9 mm rebate
Light source	SMD 2835, 120 LED/m · 12 W/m · 800 lm/m — or COB, 338 LED/m · 9.8 W/m · 600 lm/m
CRI	> 90
Colour temperature	1800–10000 K (SMD) · 2700–6500 K (COB), fixed at order
Voltage	DC 12 V / 24 V
Control	Dimmable — on/off, PWM or 0/1-10 V per project
Mounting	Surface-mount clip or recessed, per furniture detail
Rated life	50,000 h (LM80)
Certification	CE · UL · SAA (whole luminaire)
