

WL-B15 Recessed Linear Light

25 × 8 mm recessed profile · the classic line · 21 × 9 mm rebate · OSRAM LM80 LEDs

PRODUCT FEATURES

- 25 × 8 mm recessed profile — flanged edges bridge the rebate for a clean line
- Recessed into a 21 × 9 mm rebate, fixed with countersunk M3 × 12 screws
- OSRAM LEDs, LM80 > 50,000 h · IP20
- SMD 2835 (120 LED/m · 12 W/m · 800 lm/m) or COB (338 LED/m · 9.8 W/m · 600 lm/m)
- DC 12 / 24 V, dimmable, CRI > 90

The classic recessed line of the range — the profile most hotel casegoods start from. A 25 × 8 mm aluminium body with flanged edges sits in a 21 × 9 mm rebate, the flanges bridging the cut for a clean, gap-free line of light. Fixed with countersunk M3 screws; supplied cut, wired and connectorised.
